ESTRO-TEST™

Post Cycle Therapy

- **Natural Testosterone Booster**
- **Supports Estrogen Metabolism**
- **Naturally Increase Growth Hormone Levels**
- **BioPerine® Patented Delivery System**
- **Resveratrol**

ESTRO-TEST™ is an anti-aromatase, anti-estrogen that has the unique ability to naturally raise testosterone levels and optimize testosterone production while reducing estrogen levels efficiently and effectively.

Benefits

Post Cycle Therapy (PCT) that prevents estrogen-related side effects including water retention, gyno & diminished libido.

Natural prohormone free, testosterone boosting regimen that contributes to increased lean muscle and strength.

Integral part of the fat loss cycle (increased levels of estrogen can contribute to fat storage especially in problematic areas).

How it works

ESTRO-TEST™ binds to the site of the aromatase enzyme, rendering it inactive, which in turn inhibits the body's ability to produce estrogen. This reduction in estrogen production leads to reduced amounts of circulating estrogen, which leads to an indirect increase in testosterone levels.

BioPerine® Delivery System. A patented form of piperine clinically tested and proven to increase bioavailability of nutritional compounds.

- **Testosterone** raising Tribulus Terrestris
- Growth hormone raising **Mucuna Puriens**
- **Stinging Nettle & Resveratrol** for Liver Support
- **KSM-66® Ashwagandha** supports muscle strength, endurance, and athletic performance

SUPPLEMENT FACTS

Serving Size: 1 Capsule
Servings Per Container: 60

Amount Per Serving		% Daily Value
Proprietary Blend	622mg	*
Tribulus Terrestris		*
Resveratrol		*
Mucuna Puriens		*
Stinging Nettle		*
KSM-66® Ashwagandha		*
3,3'-Diindolylmethane		*
Zinc (Monomethionine Aspartate)		*
Icariin		*
BioPerine® (Piper nigrum)		*

% Daily Values are based on a 2,000 calorie diet
* % Daily Value not established

Other Ingredients May Contain: Gelatin, Rice Flour, Magnesium Stearate, Silicon Dioxide, Water.

Directions: Take 1 capsule 1-2 times daily for no more than 6 weeks. Stop using product for the same amount of duration.

† These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Keep out of reach of children. Store in a cool, dry place away from moisture, sunlight and excess heat. Always keep tightly sealed. Does not contain any of the eight major allergens. Produced in a facility that processes eggs, soy, wheat, fish, shellfish, tree nuts, and dairy products.

“As the Strength and Conditioning Coach and Nutritionist for over 15 world title holders in mixed martial arts, I know what is effective and what produces real results you can see and feel.”
